## Take your pick. . .

Instigator Wavy Gravy (Hugh Romney) and program director Curtis Spangler drew cheers in front of San Francisco's City Hall yesterday with their "Nobody for President" banner, which enjoyed a successful run recently at the GOP convention in Kansas City. "Who fed the poor?" Gravy asked the crowd. "Nobody," they answered. Wavy Gravy, of the glory days of Bay Area radicalism (the late 1960s), rests his case.
